THE INDICTMENT TO LAW ENFORCEMENT COUNTERPARTS

On June 27, 2024, the government filed a motion to seal the entire docket in the above-captioned case, including the indictment, the motion to seal, the Court’s order on the motion to seal, and any other related paperwork, until further order of the Court. The Court granted that motion and the entire docket remains under seal. The government requests that the entire docket otherwise remain under seal until further order of the Court for the reasons stated in the government’s motion to seal.
